WHO ARE RAILROAD PATRONS?

They are the people most important to the Jersey Central Lines — in person, on the telephone or by mail.

They are not dependent on us — we are dependent on *them*.

They are not an interruption of our work — they are *the purpose* of it. We are not doing them a favor by serving them — they are doing *us* a favor by giving us an opportunity to serve them.

They are not outsiders to our business — they are *part* of it.

They are not cold statistics — they are flesh-and-blood human beings with feelings and emotions like our own.

They are people who bring us their business. It is our job to see that their business and requests are handled promptly and courteously.
