SPECIAL INSTRUCTIONS—ALL SUBDIVISIONS

RULE 5. Schedule times shown in small type indicate special instructions in the timetable govern movement.

RULE S-72. Westward trains are superior to trains of the same class in the opposite direction.

RULE 105. Sidings designated "E" in Capacity of Sidings column are assigned for use by eastward trains; those designated "W" are assigned for use by westward trains. Those designated "M" for middle, may be used by trains in either direction.

Capacity of Sidings column indicates the number of cars of average length of 49 feet that siding will hold between fouling points, in addition to one steam engine and caboose.

SPECIAL INSTRUCTIONS—SPARKS SUBDIVISION

RULE 82-A. Extra trains originating at Wendel and operating between Wendel and Susanville will display indicators as an extra train on entire trip as indicated by the engine number of the lead unit leaving Wendel and are authorized to operate as an extra train between Wendel and Susanville without obtaining a clearance at Wendel.

Extra trains originating at Hazen and operating between Hazen and Fallon will display indicators as an extra train on entire trip as indicated by the engine number of the lead unit leaving Hazen and are authorized to operate as extra trains between Hazen and Fallon without obtaining a clearance at Hazen or Fallon.

Unless otherwise provided, eastward trains must not leave Winnemucca without obtaining WPRR clearance and train orders, if any, which will apply on WPRR from Weso to Carlin.

RULE 83. Extra trains originating at Wendel en route Susanville, in addition to the information required by train register, must register destination of trip (turning point) and date of departure in the column captioned "Signals." When trip has been completed, date of arrival at Wendel must also be entered in column captioned "Signals."

An extra train en route Susanville from Wendel must not leave Wendel until it has been ascertained from the train register that all preceding extra trains via the route to be used have completed their trip and registered time and date of arrival at Wendel accordingly.

Extra trains originating at Hazen en route Fallon, in addition to information required by train register, must register destination of trip (turning point) and date of departure in the column captioned "Signals." When trip has been completed, date of arrival at Hazen must also be entered in column captioned "Signals."

An extra train en route Fallon from Hazen must not leave Hazen until it has been ascertained from the train register that all preceding extra trains via the route to be used have completed their trip and registered time and date of arrival at Hazen accordingly.

RULE 83-A. At the following stations only trains indicated will register:

Winnemucca.....Eastward first-class trains.

RULE 83-B. At open train-order offices, trains may register by ticket as follows:

Carlin.....Westward WPRR first-class trains.

Imlay.....First-class trains, and extra trains not required to stop.

Winnemucca.....Eastward first-class trains.

Train-order operator Winnemucca will telephone such registrations to WPRR train-order operator at WPRR Winnemucca who will enter on WPRR train register and repeat registration for verification.

When an eastward regular train or section is checked on train register at Imlay, or visual identification is made between Imlay and Weso, such identification or train register check may be applied at Weso.

RULE D-97-A will apply:

Between Sparks and beginning of CTC Vista.

Between Imlay and beginning of CTC Perth.
